CNP Quad Squad thanks everyone who bought tickets and supported our club this year! The CNP Quad Squad raffle team would like to thank all the volunteers and small businesses in the Crowsnest Pass and surrounding areas. These volunteers and businesses have helped with ticket sales for this and previous years' raffles. The Quad Squad relies on the generosity and help that they give in making our raffle more successful. With their help this year we have completed another raffle with a huge success. The proceeds will be used to help improve trail systems in the local area.

Please visit and support these businesses!!
